

**NYS OASAS &
CADCA INVITE
YOU TO OUR:**

VIRTUAL CAPACITY BUILDING TRAINING

DETAILS:

The Coalition Capacity Building Training will provide existing substance misuse prevention coalitions and other key stakeholders with a rigorous, customized training designed to improve their capacity and effectiveness to address the substance use issues in their communities. The course work will focus on providing information, tools, skills, and processes necessary for coalitions to create guiding documents essential for building capacity to address the consequences of substance misuse and other local prevention-related challenges..
